PETITIONING THE COURT

To issue a warrant.

The probation officer believes that the offender has violated the following conditions of supervision:

Violation Number Nature of Noncompliance

- 5 **Special Condition #18:** You shall undergo a substance abuse evaluation and, if indicated by a licensed/certified treatment provider, enter into and successfully complete an approved substance abuse treatment program, which could include inpatient treatment and aftercare. You shall contribute to the cost of treatment according to your ability to pay. You shall allow full reciprocal disclosure between the supervising officer and treatment provider.

Supporting Evidence: Timothy Roullier violated conditions of his supervised release by failing to appear for substance abuse counseling on May 30, June 4 and 5, 2012, as required. The offender commenced substance abuse counseling on May 21, 2012, pursuant to the Court modifying the existing conditions of supervision. Collateral contact with the assigned case manager confirms that the offender is not considered amenable to counseling efforts at this time.

- 6 **Special Condition #19:** You shall abstain from the use of illegal controlled substances, and shall submit to urinalysis testing, as directed by the supervising officer, but no more than six tests per month, in order to confirm continued abstinence from these substances.

Supporting Evidence: Timothy Roullier violated conditions of his supervised release by failing to appear for urinalysis testing on June 5, 2012. The U.S. Probation Office received notice from Pioneer Human Services advising that the offender failed to appear for urinalysis testing as required on the above-mentioned date.
